East India House, December 3, 1794.

THE Court of Directors of the United Company of Merchants of England trading to the East Indies do hereby give Notice,

That they have this Day come to the following Resolutions on the Applications of the Officers belonging to the Company's Military Establishment in India, who have offered their Services in the Three Regiments, which the Company have requested His Majesty's Permission to raise for the eventual Service of the Company in India, but to remain, during the War, at the Disposal of His Majesty's Government, to serve in Great Britain or Ireland, or in the Islands of Jersey, Guernsey, Alderney or Sark, viz.

Resolved,

That the Recommendation to His Majesty for the Appointment of Officers to serve in the Three Regiments, which are to be raised by the East India Company, shall be made of those Officers now in Europe, who have not exceeded the Period of Absence prescribed by this Court: It is further declared, that the Service in these Regiments shall not make the smallest Difference to the Officers who may be selected for Employ on this Occasion, with regard to their Situations in the Army in India, nor shall this Service entitle them to be replaced on the Strength of the Army in India, after the Reduction of these Regiments, without previously going to India, and waiting for Vacancies in their respective Ranks, according to the existing Regulations of the Service.

Resolved,

That the beforegoing Rule of the Court be communicated to the Officers of the several Presidencies now in Europe, who are comprehended within the prescribed Period, as eligible to serve in these Regiments, that those who have not the Intention of returning to India may understand correctly the Circumstances which attach to the proposed Commissions, and may, in consequence thereof, decline the Offers which they have made to the Court, if they shall think fit.

Resolved,

That Officers of the Cavalry and Artillery Establishments, or the Corps of Engineers, cannot be considered eligible for Recommendations to serve in the Three Regiments of Infantry now to be raised, as those Lines of Service have always in their Promotions, and in general in other Respects, been considered as separate and distinct from the Infantry Establishment.

The Court is fully sensible of the Zeal and Attention of those Officers of the Corps of Cavalry, Artillery and Engineers, who have offered their Services on this Occasion.
